A year has come, a year has gone  
Still hanging tough, the blues is going on  
Fingers walk the edge of time  
My heart is burning, I'm ready to fly but

All we can do is sit and wait  
All we can do is just sit and wait (they say)  
All we can do is sit and wait  
All we can do, yeah, that's what they say  
Sit and wait, sit and wait, just sit and wait

I could run away and touch the sun  
Where there's a spark could be a fire  
Impossible dreams and promises  
Still I ain't nothing, I ain't nowhere

All we can do is sit and wait  
All we can do is just sit and wait (they say)  
All we can do is sit and wait  
All we can do, yeah, that's what they say  
(Sit and wait) all we can do (sit and wait) is sit and wait  
(Sit and wait) all we can do (sit and wait)  
Is just sit and wait (they say)  
All we can do is sit and wait  
All we can do, yeah, that's what they say  
Sit and wait, sit and wait, just sit and wait

Ooh ooh ooh  
Oh, they make me wait

Mmm, all we can do is sit and wait  
All we can do is just sit and wait (they say)  
All we can do is sit and wait  
All we can do, yeah, that's what they say  
Sit and wait, sit and wait, just sit and wait

Ooh ooh ooh ooh ooh ooh ooh  
Ooh ooh, hey hey, they make me sit and wait, oh oh oh  
oh oh oh  
Ooh ooh  
Oh, you make me wait (oh oh)

Oh oh
