I was alone, I took a ride  
I didn't know what I would find there  
Another road where maybe I could see another kind of  
mind there

Ooh, then I suddenly see you  
Ooh, did I tell you I need you  
Every single day of my life

You didn't run, you didn't hide  
You knew I wanted just to hold you  
And had you gone you knew in time we'd meet again  
For I had told you

Ooh, you were meant to be near me  
Ooh, and I want you to hear me  
Say we'll be together every day

Got to get you into my life  
Somehow someway

What can I do, what can I be

When I'm with you I want to stay there  
If I'm true I'll never leave  
And if I do I know the way there

Ooh, then I suddenly see you  
Ooh, did I tell you I need you  
Every single day of my life

Got to get you into my life  
Somehow someway

I need your love, I need your love  
I need your love, I need your love  
Got to get you into my life  
Oh somehow someway

Got to get you into my life  
Oh ho ho  
D'you hear me, oooo?

Dee dee...  
OK  
Dee dee da... (fade out)
