[Missy]

Listen up everyone

We have just been informed that there's an unknown virus

That's attacking all clubs

Symptoms have been said to be heavy breathing

Wild dancing, coughing

So when you hear the sound (Whooo!)

Run for cover, cover, cover

[Missy]

Mmm, whoo, ah daddy, whoo, ah, oh, ooh

Pass that dutch (ah), pass that dutch (ah)

Pass that dutch (ah), pass that dutch (ah)

Pass that dutch (ah), pass that dutch (ah)

Pass that dutch (ah), pass that dutch (ah)

[Missy]

Misdemeanor on the floor, pretty boy here I come

Pumps in the bunk, make you wanna hurt something

I can take your man, I don't have to sex 'em

Hang 'em out the window, call me Michael Jackson

(hehehe)

I'm a pain in your rectum, I am that bitch y'all slept on

Heavy hitter, rhyme spitter, call me re-run

Hey, hey, hey, I'm what's happening

Now to get my drink, that's right

Shake your ass till it stink, that's right

Mr. Mo's on the beat, that's right

Put it down for the streets, that's right

[Missy]

Whooo

Pass that dutch, pass that dutch

Pass that dutch, pass that dutch

Pass that dutch, come on pass the dutch baby

Shake, shake, shake your stuff baby

Whooo

Pass that dutch, pass that dutch

Pass that dutch, pass that dutch

Pop that, pop that, jiggle that fat

Don't stop, get it till your clothes get wet

[Missy]

Number one, drums go bump, bump, bump
This beat here will make you hump, bump, jump
If you's a fat one put your clothes back on
Before you start putting pot holes in my lawn
Oh my God, show 'em I'm large
Shove my beat up, attack like my name was Saddam
I am the bomb from New York to Milan
And I can write a song sicker than Jeffrey Dahm'
car alarm Don't touch my car alarm
Break in my car, you will hear viper armed
I've been a superstar since Daddy Kane was raw
I'm live on stage, come on and give me some applause
applause
Thank you, oh thank you, you all are so wonderful

[Missy]

Whooo
Pass that dutch, pass that dutch
Pass that dutch, pass that dutch
Pass that dutch, come on pass the dutch baby
Shake, shake, shake your stuff baby
Whooo
Pass that dutch, pass that dutch
Pass that dutch, pass that dutch
Pop that, pop that, jiggle that fat
Don't stop, get it till your clothes get wet

[Busta]

Aha, aha, aha, ay yo Missy
It would be my pleasure
If you just let me knock they ass out for you baby
Let's go! *ring*
It's the immaculate, incredible
Magnificent, unforgettable and imaginable
? dramatical situation
See all the shit you be facin'
While I be in the place
In a way that be keeping the party shaking (oh)
Hut one, hut two, hut three, hut four, hut
Get that thong, shorty, pull it out your butt (what)
See a crew of the baddest bitches laying the cut (what)
If you ain't saying shit for, we keep your mouth shut
What, shut, what, shut, what, keep your mouth shut
I brought a couple shorties back and they cleaning my
house up
Almost forgot to mention I'm one of the most important
And relevant in the street like a genius who speak
intelligent, ah

Look at all of the shades of my diamonds in my bezzle
When light hits, forget it, I court a charge of
embezzlement
Missy, giving it to 'em, let's take 'em all on a ride
Just remember to pass the dutch on the left hand side

[Missy]

Whooo

Pass that dutch, pass that dutch
Pass that dutch, pass that dutch
Pass that dutch, come on pass the dutch baby
Shake, shake, shake your stuff baby
Whooo
Pass that dutch, pass that dutch
Pass that dutch, pass that dutch
Pop that, pop that, jiggle that fat
Don't stop, get it till your clothes get wet

[Missy]

Pop that, pop that, make that money
Just keep it going like the Energizer bunny
Shake that, shake that, move it all around
Spank that, yank that dutch back now
Freak him, freak her, whatever your choice
Didn't come to judge, I cam to get you moist
Scream (whoo whoo!) now my voice is lost
Can I get a ride on a white horse *horse*

[Missy]

Whooo

Pass that dutch, pass that dutch
Pass that dutch, pass that dutch
Pass that dutch, come on pass the dutch baby
Shake, shake, shake your stuff baby
Whooo
Pass that dutch, pass that dutch
Pass that dutch, pass that dutch
Pop that, pop that, jiggle that fat
Don't stop, get it till your clothes get wet

[Missy]

Pop that, pass the dutch baby, jiggle that fat
