Here I come
I'm coming for a taste of your love.
Here I come, baby
Because I like what you do for me.

Little by little, bit by bit.
I'm falling in love all over again.

Here I come,
I'm coming for a taste of your love
Here I come now, baby
Just like I did before.
And I'm coming back
'Cause this time I'm sure.

It takes two, to make it
And I know you can take it, again.

Here I come
I'm back for a taste of your love.
Here I come
I'm coming back for you now.

What you've been
Just come down on me.
You've got the lock, pretty baby
But I've got the key.

Little by little, bit by bit
I'm falling in love all over again.

Here I come
I'm coming for a taste of your love
Here I come now baby,
I'm back for a taste of your love.

You know, I'm coming back for a taste of your love
You know, I've got to come back now baby.
