Centered photo lines  
Capture the sentimental waves  
We all take our places  
To reconcile all the faces outside the frame

Is this camouflage  
Or just some dream?  
To atone our sins  
And watch them fall to their knees

I am not awake enough  
I am not awake enough  
I am not awake enough  
I am not awake enough

And how will I know enough?  
How will I know enough  
To call it to me?

'Cause I am not awake enough  
I am not awake enough to feel  
The trouble that surrounds me  
And I am not awake enough  
I am not awake enough to know  
The trouble which surrounds me

We are paralyzed  
In what beckons us to bleed  
Harbored in our dusty heads lie  
The complete works of revolutions unseen

And harbored in our dusty heads lie  
Works of revolution

Are we camouflaged  
Or in some dream?  
To atone our sin brigades  
And watch them fall to, fall to their knees

I am not awake enough  
I am not awake enough to feel  
The trouble that surrounds me

And I am not awake enough  
I am not awake enough to know  
The trouble which surrounds me

And where is awake enough to find some peace?  
And how will I know enough?  
How will I know enough to call it to me?

'Cause I am not awake enough  
I am not awake enough to feel  
The trouble that surrounds me  
And I am not awake enough  
I am not awake enough to know  
The trouble which surrounds me

And I am not awake enough  
I am not awake enough to bear  
The trouble that surrounds me  
And I am not awake enough  
I am not awake enough to feel  
The trouble which surrounds me

And I am not awake enough  
I am not awake enough to bear  
The trouble that surrounds me  
And I am not awake enough  
I am not awake enough to feel  
The trouble which surrounds me
