YuP~!!

Verse 1:

since da first time i saw you
i knew i was attracted
reacted to da fact
on how you make me act
shy but sexy at da same time
always on my mind wasa little bump & grind
usually i don't play it dat close
you gots to kick it with me
before i serve you up with an overdose
of that bomb ass punani
make you my man
ain't got no love
for nobody else but you
cuz you's my boo
i prove to you
my love be true
so do you know where you're goin to
thru thick and thin baby you all in
time will reveal
that my love for you will never end
my heart keeps tickin'
no time for trickin'
you're who i'm pickin'
so lay me down
just give it a good lickin'
i'll treat you like myking cuz you're royal
and only give my love to you
because i'm loyal

cuz i'm ma always and 4eva be your lady

Chorus (2x)

Verse 2:

afta our first nite
you discovered who's da bombest mommie
L.A.'s finest with my top dawgs all around me
down to ride
harder then bonnie and clyde
with sexual healings
deep feelings
baby check my vibe
there'll neva be
a love like me
dat got yo' back in this industry
dat got yo' back in these streets
so you don't have ta worry 'bout me
on da creep
and i don't want you eva to try to play me cheap
cuz i don't sleep around
becuz it's sleezy
good lesson taught by my big homie eazy
i gots to compliment you on how you please me
touch me but don't tease me
now put it in nice and eazy
now rub my body down i'm feelin' queezy
and cuddle up to me
cuz now i'm gettin' sleepy
but i'm ma be dedicated
to this relation
so stay away from all them cowards
so we cannot be playa hated
cuz if you with me booty
keep it real
and if i catch you sleepin' around
then i'm gon' have ta chill
when you find good love
you besta keep it
i'm puttin' all my sista's up on game
so won't you peep it

Chorus (6x)
