I close my eyes  
I don't want to see no more  
Because your not in my theater, there's no open door,  
And you won't let me in and I can not see in  
Because if only you were happy  
What was I thinking  
OOOOOooo.... OOOOOOOO.....

**\*\*Chorus\*\***

\*\*\*\*I had so much of you, I couldn't dream last night  
I feel the touch of you, even though you're not by my  
side  
Can't get enough of you, because you made the  
darkness light  
After All this time  
You still possess my mind\*\*\*\*

After All this time, I still want you in..... my life

oooooooo.... oooooo....ooooo.. yahhh.. ooo

I had so much (Stay with me)  
I had so much (I want you baby)  
I had so much (Stay with me)  
I had so much (I need you baby)  
I had so much (Stay with me)  
I had you so much..(I want you baby)

**\*\*\*Chorus\*\*\***

After all this time, you still feel so right  
After all this time, I still want you in...my life

And...oooooooo ...oooooooo...

In my life, feel so right  
In my life...ooo in my life.. in my life...in my life  
Still want you in, my life (in my life.. in my life..in my  
life.. in my life)

I had so much, couldn't dream last night  
Wanna Feel your touch

Even though your not by my side  
I had so much.. whoaa.  
Couldn't dream last night  
Feel your touch  
Even though your not by my side  
OH Yeah!
