I dont wanna say I'm sorry  
'Cause I know there's nothing wrong  
Don't be afraid, there's no need to worry  
'Cause my feelings for you are still strong

Hold me in your arms and never let me go  
Hold me in your arms 'cause I need you so  
I can see it in your eyes there is somethin'  
Somethin' you wanna tell me  
I see it in your eyes there is somethin'  
That you hide for me  
Is there a reason why there is somethin'  
Somethin' you wanna tell me  
I see it in your eyes there is somethin'  
That you hide for me

I dont wanna say I'm sorry  
'Cause I know there's nothing wrong  
Don't be afraid there's no need to worry  
'Cause my feelings for you are still strong

Hold me in your arms...

Hold me in your arms  
And never let me go  
Hold me in your arms  
'Cause I need you so  
I can see it in your eyes there is somethin'  
Somethin' you wanna tell me  
I see it in your eyes there is something  
That you hide for me

Is there a reason why there is somethin'  
Somethin' you wanna tell me  
I see it in your eyes there is somethin'  
That you hide for me
