If loneliness is stealing,
Then my heart goes out to you.
I got nothing left to lose.

What's the point of trying?
I gave my world but u weren't move,
I can't believe u took it all.

I'm giving up on you,
For all those things u put me thru.
Like petals on the floor,
Crashed my world and faked it all.

And you should know just what to do,
I hope that time heals those that fall.

I can't believe,
This can't be true.
Why can't you see we've got too much to lose?
A broken dream,
A broken(?) you.
Cause nothing else will mean the same for you.

You say i must be dreaming,
I won't be taken like a fool.
You just can't rearrange the rules.
Say that i hadn't been there.
And all the lies you told before
See the cracks upon the wall.

I'm giving up on you,

For all those things u put me thru.
Like petals on the floor,
Crashed my world and faked it all.

And you should know just what to do,
I hope that time heals those that fall.

I can't believe,
This can't be true.
Why can't you see we've got too much to lose?

A broken dream,
It's rather new?
Cause nothing else will mean the same for you.

I used think my world is home,
And now my world is going on,
All alone, so alone,
The pain will last forever.

I used think my world is home,
And now my world is going on,
All alone, so alone,
The pain will last forever.

I can't believe,
This can't be true.
Why can't you see we've got too much to lose?
A broken dream,
It's rather new?
Cause nothing else will mean the same for you.
