Here I am again  
Calling on your name  
To Praise and to Worship you  
You gave me wings to fly  
Like an eagle in the sky  
Flying flying high

Coz you're name  
Is bigger than the mountain  
You're name  
Is deeper than the ocean  
You're name  
Is higher than the sky  
Higher...

Oh Lord I love you  
You gave me all the things I want  
I'm here to calling your name  
Oh God please Help me  
Help me God...

You thought me how to Love  
You thought me to be brave  
Coz your all that I need  
And everything I want  
Everything I need  
You're always there to gave me strength

Coz you're name  
Is bigger than the mountain  
You're name  
Is deeper than the ocean  
You're name  
Is higher than the sky  
Higher of everything...

Oh Lord I love you  
You gave me all the things I want  
I'm here to calling your name  
Oh God please Help me  
Help me God...

Oh Lord I love you  
You gave me all the things I want  
I'm here to calling your name  
Oh God please Help me  
Help me God...
