These walls were built for you
Your garden's never dry
Anmorata,
Your secrets never die

Feel it feed me
Feel it feed me
Feel it feed me
Feel it feed me

Anmorata,
The men all loved you so
Anmorata,
How much you'll never know

Feel it feed me
Feel it feed me
Feel it feed me
Feel it feed me

I'll bring you home
And through my yard you'll see
And then you'll know
What it is like for me

Anmorata,
Take me where I need to be
Anmorata,
Breathe the life into me

Feel it feed me
Feel it feed me
Feel it feed me
Feel it feed me

Feel it feed me
Feel it feed me
Feel it feed me
Feel it feed me
