Screaming at the walls around me -  
Broken and alone  
Fighting with my inner demons is all I've ever known

All I am - I give to you  
All my dreams and nightmares, too

Disconnected life of anguish -  
The mirror fades to black  
Feels like I'm sinking deep into illusion.  
No one's staring back

Somewhere unseen - there's something between  
Is it the truth or a lie...

Can't you see - You and me  
We're Children of a Faceless God  
Misery is our destiny  
We're Children of a Faceless God

Just another faceless shadow - I'm desensitized  
And I don't feel the pain, am I insane?  
My nightmare's realized

Somewhere unseen - there's something between  
Is it the truth or a lie...

Can't you see - You and me  
We're Children of a Faceless God  
Misery is our destiny  
We're Children of a Faceless God

All I have - I give to you  
All my dreams, my nightmares, too

Wretched promenade - watch the freak parade  
Celebrate the suffering and affliction

Laugh at tragedy - worship sin with me  
Let us share in selfish addiction

Spitting on the shrine - drink the poison wine  
Leave a life in ruins - tattered and torn

Completely interfaced to a God without a Face  
In his image of darkness... I'm reborn

Can't you see - You and me  
We're Children of a Faceless God  
Misery is our destiny  
We're Children of a Faceless God
