See all the faces
Out walking in the street.
You will find a way to love.
See how they run.
See how they fly.

Ooohwawawawa..

Who are you?
Who are you?
Who are you?
Who are you?

1, 2, 3, 4,
5, 6, 7, 8,
Many more to obligate.

See past the surface,
To all the broken hearts.
Way too much too slow.

See how they run,
See how they fly.

Oooh, wa wa wa...

Who are you?
Who are you?
Who are you?
Who are you?

1, 2, 3, 4,

Who are you?
