Iridescent eyes, of the seahorse cries  
Treasure she loves, others despise  
A shooting star, shant fall very far  
Dim fireflies, held in glass jars  
April showers, brings May flowers  
Dazzling dust, tossed in wind gusts  
The trap door is open  
The window, half closed  
The tapestry curtain vivaciously glows

London Bridge did fall down  
My fair lady nearly drown  
What is the reason to lock her up,  
When already she had such rotten luck?

Bracelets of silver adorn my wrists  
Candy kisses from sugar lips

(Candy kisses me)

London Bridge did fall down  
My fair lady nearly drown  
The London Bridge did fall down  
My fair lady nearly drown

London Bridge is falling down  
Falling down, falling down  
London Bridge is falling down  
Falling down, my fair lady  
Take the key and lock her up  
Lock her up, lock her up  
Take the key and lock her up  
My fair lady
