"Farewell To Twilight"

Cast you mind back a few years
Do you remember how it was?
How we used to be
Young and carefree?

You said I was silly for holding your hand
You made a joke about my stupid hair
I'm still laughing
I'm still laughing

Yesterday was such a drab day
But I don't think it will ever come back again

Goodbye to moonlight
Farewell to twilight
Coz everything is over now
No lipstick, no makeup
No kissing, no breakup
Coz everything is over now

It's over now

Does this mean you are so grown up?
You seem to know what's best for both you and me
I don't care now
I'll just have a (bleurgh?)
How we used to be
Young and carefree

Yesterday was such a drab day
But I don't think it will ever come back again

Goodbye to moonlight
Farewell to twilight
Coz everything is over now
No lipstick, no makeup
No kissing, no breakup
Coz everything is over now

It's over now
It's over now
It's over now

Yesterday was such a drab day
But I don't think it will ever come back again

Goodbye to moonlight
Farewell to twilight
Coz everything is over now
No lipstick, no makeup
No kissing, no breakup
Coz everything is over now

Goodbye to moonlight
Farewell to twilight
Coz everything is over now
No lipstick, no makeup
No kissing, no breakup
Coz everything is over now
