Lo ono yachol levoroch mehakol
At lo onah biglali
Velo ono lo mochan lishkoch et hazman
Sheat hayit bishvili
Ki kol mah shehayah mehasof lahatchalah
Nizkar veroshem slichah.
Ulai hakol achshav mozar vemeurbav
Zeh lo meshaneh oti

Tiri zeh ani, bocheh al telchi
Ki lo nishar tavar
Rotzeh shetedi mah sheah bishvili
Tni od mabat echad, echad

Tsov lach biladai
Ani rotzeh oter midai shetevatri bishvili.
Aval zeh ishtalem, ani lo aalem
Chshetitztarchi oti oz boyi nedaver,
Natzover initkarev, az shov navin hakol.
Mechakeh shetegali shanesharti rak ani
Omed vetzoek bekol

Aval zeh ishtalem, ani lo ealem
Chshetitztarchi oti az voyi nedaber
Natzor venitkareb az shub nabin hakol.
Mechakeh shetegali shanesharti rak ani
Omed vetzoek bekol
Tiri zeh ani, bocheh al telchi
Ki lo nishar tavar!
