Hey baby
When I saw you in the park
Ooh, hey baby
You had a certain spark of love in your eyes
And when you turn to me
Suddenly I felt this flame of pure desire

When you started a love fire
Burning deep in my soul, oh yeah
A love fire
Raging out of control
I, I feel the yearning deep in my heart
Is burning up every part of my body
Just the thought of you tears me apart
Hey, yeah, my temperature is rising

Ooooh...

Hey baby
No, no water could put this fire out
No way, baby
There never was a doubt, oh, in my mind
And ever since that day, you turn my way
A brand new flame of love keeps lifting me higher

Oh, you started a love fire
Burning deep in my soul
Hey, hey, a love fire
Raging out of control
I, I feel the yearning deep in my heart
Is burning up every part of my body
Just the thought of you tears me apart
Hey, my temperature is rising

Ooh... ooh... ooooooh... yeah
Ah... ah... ah-ya-ya-yeah... yeah (love fire)
Love fire (Love fire, fire...)
Love fire, ooh (Love fire, fire...)
Ah... ohh... ohh... (Love fire, fire...)

Baby, baby, baby

Ah... ah... ah... ha, yeah
Oh yeah
Love fire... ha
Fire...

You started a love fire
Burning deep in my soul (Burning, burning)
A love fire
Raging out of control
Love fire burning
Love fire burning, oh yeah (Love fire)
Whoo... (love fire)
My temperature is rising, ooh... oh... yeah (love fire)
Ohh... ohhh... oh...
Love fire
Love fire... ah
Ooh...
