"Not My Path"

This is not my path
No I cannot follow this way
This is not my path
No I cannot follow this way
I'm still defying those words you hold over my head,
until I'm done until I'm dead
I resist it I insist it I'll never stop to listen, this wasn't
meant for me and if it was
Ill never give in,
Or surrender who I am
And who I always will be
Dissent and rise
Concentrate
Refuse acception
Dissipate
All of the pain
Stand my ground
Prove it all
Leave no regrets (With no regrets)
The path that seen was not my destiny
I will smash down the road and build it my own way
I will make, face, and destroy my own consequences
I will grow and decide and I will not suffer
Suffer, Now till the end I will not
Suffer, Without sacrifice I wont
Suffer, Now till the end I will not
Suffer, Without sacrifice I wont
Ill control my future, embracing the hate not giving
myself away, I rid myself of oppression, with the
highest form of dedication
So when I fall
I try again
Strive until
I Overcome
Focus on
My vision
Discipline
Now till the end
(Now till the end)
The path that seen was not my destiny
I will smash down the road and build it my own way
I will make, face, and destroy my own consequences

I will grow and decide and I will not suffer
Suffer, Now till the end I will not
Suffer, Without sacrifice I wont
Suffer, Now till the end I will not
Suffer, Without sacrifice I wont
No matter what these trials put me through, or how
many oppose me, I'll believe the same believes, I will
never be a victim and fall into the lies
Now till the end
Ill chose the path
Now till the end
Ill have control
Now till the end
Reject failure
Now till the end
I wont suffer
(I wont suffer)
The path that seen was not my destiny
I will smash down the road and build it my own way
I will make, face, and destroy my own consequences
I will grow and decide and I will not suffer
