Like a child life played tricks on me
I became the saddest clown
With your love I built up all my dreams
Killed my sorrow down
And calmed my sorrow down

*Oh baby don't you let me lose it
Baby don't you let me lose it
Baby don't you let me lose this thing
Now baby don't you let me lose it
Baby don't you let me lose it
Baby don't you let me lose this thing

And now the days I seem so all alone
You brought me back to my life again
Now I have somewhere to belong
You brought me back to life
Oh you brought me back to life oh yeah

(Repeat *)

You brought me back to my life
You brought me back to my life

(Repeat *)
