May not know enough about you, babe  
That can only come in time  
I only know enough to make you stay  
On my mind

Though I only met you yesterday  
Only for a moment then  
I knew I couldn't let you get away  
I just had to see you again

I can be the one you love  
Let me be the one you need  
(Oo-oo-oo, let me be the one you need)  
Take a look into your heart, oh...  
Try to find a place for me (Try to find a place for me)

Can't say that I can't live without you, babe  
That's just someone outblews his line, no...  
I may not know enough about you, babe  
Oh, but you stay on my mind

(Let me be the one)  
Oh, I can be the one you love  
Let me be the one you need  
(Let me be the one you need, let me be the one)  
Take a look into your heart (Let me be the one)  
Try to find a place for me  
(Try to find a place for me, let me be the one)  
Ooh...

[Interlude]

Hey, hey, yeah  
Take a look into your heart  
Hey, hey, try a find a place for me  
(Try to find a place for me, let me be the one)  
Oh, I can be the one you love (Let me be the one)  
Let me be the one you need  
(Let me be the one you need, let me be the one)  
Yeah, baby, take a look into your heart  
(Let me be the one)  
Hey, hey, try to find a place for me
