Come bring me your softness  
Comfort me through all this madness  
Darling, don't you know, with you, I'm born again

Come give me your sweetness  
Now there's you, there is no weakness  
Lying safe within your arms, I'm born again

I was half, not whole, in step with none  
Reaching through this world in need of one

Come show me your kindness  
In your arms I know I'll find this  
Darling, don't you know with you, I'm born again  
Lying safe with you, I'm born again

Come bring me your softness  
Comfort me through all this madness  
Darling, don't you know, with you, I'm born again

Come give me your sweetness  
Now there's you, there is no weakness  
Lying safe within your arms, I'm born again

I was half, not whole, in step with no one  
Reaching through this world, in need of one

Come show me your-our kindness, in your arms I'll find  
this  
Darling, don't you know-ow, I'm born again  
Oh, lying with you, I'm born again  
Oh oh oh, hoo

Darling, I've searched all my life for someone like you  
You are my heaven  
No one in the world touches my soul like you  
No one makes me feel more woman than you

Oh, hoh, oh, come give me your softness  
Comfort me through all this madness  
Darling, don't you know with you I'm born again  
Oh, hoh, oh oh, I'm born again

Hooh, hooh, ooh, with you I'm born again  
Oh, hoh hoh, oh ho, I'm born again, I'm born again  
Lying safe with you I'm born again
