End of the world
Do you even care?

and they take it all away
and they take it all away
away, away, away

Fall before the girl
Do you even want her?

Are you blind?
If you weren't you were always blind
Are you blind?
You shake the world with everlasting times
Are you blind?
Making everyone and every little thing your damn
whore
Are you blind?
Are you blind?
Are you blind?
Are you blind?

Then the end become chaos
Do you even care?

and they take it all away
and they take it all away
away, away, away

Are you blind?
If you weren't you were always blind
Are you blind?
You shake the world with everlasting times
Are you blind?
Making everyone and every little thing your damn
whore
Are you blind?
Are you blind?
Are you blind?
Are you blind?

You shake the world with everlasting times
