Beethoven's Cunt by "Serj Tankian"

Brushing, touching, feeling on your shoulders,
Believing, appealing, kneeling in your worlds,
Oceans are combined,

Being that I love you so much
In the end they all will say
Breaking someone else's heart again,

Find the little evil perpetrator
And feed him to the hungry alligator
You want it all,
You want it all,
Love is not about the profits
Nor the riches in your dreams,

The arms of time are breaking off,
Civilization is on trial,
The clocks eliminating time
Do you believe in me,

I've been walking through these dead farms
But I don't mind,
I've been screaming through these dead lungs,
But I can't find,

Being that I love you so much
In the end they all will say
Breaking someone else's heart again,

Find the little evil perpetrator
And feed her to the hungry alligator
You want it all,
You want it all,
Love is not about the profits
Nor the riches in your dreams,

The arms of time are breaking off,
Civilization is on trial,
The clocks eliminating time

Do you believe, in me,

But lately I've been blind
You leave me all alone, left in time,
You left me here to die, left in time,
Leave me all alone, left in time,

The arms of time are breaking off,
Civilization is on trial,
The clocks eliminating time
Do you believe in nothing.

But lately I've been blind
You leave me all alone, left in time.
