I, wishing and wishing away as you go  
I, wishing and wishing away as you go

I don't see nothing but pain and misery  
Cause you are the one for me  
Why can't it all be true  
Can I escape with my blue fallen reverie  
Why can't it all be true  
Why can't it all be true

I, wishing and wishing away as you go  
I, wishing and wishing away as you go

Suddenly I believe  
Your were the one for me  
Graciously you go through  
My closed heart's artery  
Can I escape with my blue fallen reverie  
Why can't it all be true  
Why can't it all be true  
I've been wishing away as you  
I've been wishing away as you  
I've been wishing away as you go

I don't see nothing but pain and misery  
Cause you are the one for me  
Why can't it all be true  
Can I escape with my blue fallen reverie  
Why can't it all be true  
Why can't it all be true

Wishing and wishing away as you go  
Wishing and wishing away as you go  
Wishing and wishing away as you go  
Wishing and wishing away as you go  
Wishing and wishing away as you go  
Wishing and wishing away as you go  
As you go  
As you go  
As you go
