Circumventin' circuses
Lamentin' in protest
To visible police
Presence sponsored fear
Batallions of riot police
With rubber bullet kisses
Baton courtesy
Service with a smile

Beyond the staples center you can see America
(Lalala lalala lalalala)
With it's tired poor avengin' disgrace
(Lalala lalala lalalala)
Peaceful lovin' youth against the brutality
(Lalala lalala lalalala)
(Lalala lalala lalalala)
Of plastic existence

Pushin' little children
With their fully automatics
They like to push the weak around
Pushin' little children
With their fully automatics
They like to push the weak around

A rush of words
Pleadin' to disperse
Upon your naked walls, alive
A political call
The fall guy accord
We can't afford to be neutral on a movin' train

Beyond the staples center you can see America
(Lalala lalala lalalala)
With it's tired poor avengin' disgrace
(Lalala lalala lalalala)
Peaceful lovin' youth against the brutality
(Lalala lalala lalalala)

(Lalala lalala lalalala)
Of plastic existence

Pushin' little children
With their fully automatics
They like to push the weak around
Pushin' little children
With their fully automatics
They like to push the weak around

Push the world around

A deer dance, invitation to peace
War starin' you in the face
Dressed in black
With a helmet, fierce
Trained and appropriate for the malcontents
For the disproportioned malcontents
The little boy smiled, it'll all be well
And see the little boy smiled, it'll all be well

Pushin' little children
With their fully automatics
They like to push the weak around

Pushin' little children
With their fully automatics
They like to push the weak around
Pushin' little children
With their fully automatics
They like to push the weak around

Push the weak around
Push the weak around
Push the weak around
They like to push the weak around
