Life is but a dream
drifting on a stream
a stream
consciously it seems
all of what remains

Ego Brain
and they shame
shame love after it rains
you see my pain is real
watch my world dissolve
and pretend that none of us see the fall
as I turn to sand
you took me by the hand
and declared that love prevails over all

I am just a man
fighting of the man
for land
for land
while I turn to sand
inspite of the pain

Ego Brain
and they shame

shame love after it rains
you see my pain is real
watch my world dissolve
and pretend that none of us see the fall
as I turn to sand
you took me by the hand
and declared that love prevails over all

All of what remains
Ego Brain
and they shame
shame love after it rains
you see my pain is real
watch my world dissolve
and pretend that none of us see the fall
as I turn to sand

you took me by the hand
and declared that love prevails over all
