I'm a little bit bit bit show
but a little bit bit bit shame
but a little bit bit bit bit bit bit

I'm a little bit bit bit show
but a little bit bit bit shame
but a little bit bit bit bit bit bit

I'm just the man in the back
just man in the back
just man in the pok shoo chak chak
I'm just demeaning the pack
just demeaning the pack
just demeaning the paaaaaack

War

F**k The System

War

F**k The System
F**k The System

War

F**k The System

War

I need to F**k The Sys
I need to F**k The Sys
I need to F**k The Sys
I need to F**k The Sys
I'm a little bit bit bit show
but a little bit bit bit shame
but a little bit bit bit bit bit bit

I'm a little bit bit bit show
but a little bit bit bit shame
but a little bit bit bit bit bit bit

I'm just the man in the back
just man in the back
just man in the pok shoo chak chak
I'm just demeaning the pack
just demeaning the pack
just demeaning the paaaaaack

War

F**k The System

War

F**k The System
F**k The System

War

F**k The System

War

I need to F**k The Sys
I need to F**k The Sys
I need to F**k The Sys
I need to F**k The Sys

Boom chika pok
Boom chika pok
Boom chika pok
Boom chika pok

I'm a little bit bit bit show
but a little bit bit bit shame
but a little bit bit bit bit bit bit

I'm a little bit bit bit show
but a little bit bit bit shame
but a little bit bit bit bit bit bit

I'm just the man in the back
just man in the back
just man in the pok shoo chak chak
I'm just demeaning the pack
just demeaning the pack
just demeaning the paaaaaack

War

F**k The System

War

F**k The System

F**k The System

War

F**k The System

War

I need to F**k The Sys

I need to F**k The Sys

I need to F**k The Sys

I need to F**k The Sys

We all need f**k the sys

We all need f**k the sys

We all need f**k the sys

We all need f**k the sys

I'm a little bit bit bit show

but a little bit bit bit shame

but a little bit bit bit bit bit bit!

I need to F**k the system

I need to F**k the sys

I need to F**k the system

We all need to F**k the system.

Your welcome. That took a long time to type.
