Prepare yourself for death  
Your life is under a trick  
In the end it's obvious that  
It's all just an acronym

It's JUST AN ACRONYM!  
YOUR LIFE IS AN ACRONYM!  
You hide from life, you hide from life  
Well it's all just an acronym

It's JUST AN ACRONYM!  
YOUR LIFE IS AN ACRONYM!  
You hide from life, you hide from life  
Well it's all just an acronym

I don't know why your talking to me  
I don't know why your talking to me  
I don't know why your talking to me  
Why, why, why?

I don't know why your talking to me  
I don't know why your talking to me  
I don't know why your talking to me  
Fuck you in your flake!  
Flake!  
Flake!  
Fuck you in your flake!  
Flake!  
Flake!
