Hypnotize - System Of A Down

Why don't you ask the kids at Tiananmen Square
Was fashion the reason why they were there
They disguised it, hypnotized it
Television made you buy it

I'm just sitting in my car
And waiting for my...

She's scared that I will take her away from there
Her dreams and her country left with no one there
Mezmerize the simple minded
Propaganda leaves us blinded

I'm just sitting in my car
And waiting for my girl
I'm just sitting in my car
And waiting for my girl

(music)

I'm just sitting in my car
And waiting for my girl
I'm just sitting in my car
And waiting for my girl
