Dead men lying on the bottom of the grave.  
Wondering when Savior comes  
Is he gonna be saved

Maybe You're a sinner into your alternating life  
Maybe you're a joker, maybe you deserve to die  
They were crying when their sons left  
God is wearing black  
He's gone so far to find no hope  
He's never coming back  
They were crying when their sons left  
All young men must go  
He's come so far to find the truth  
He's never going home

Young men standing on the top of their own graves  
Wondering when Jesus comes  
Are they gonna be saved

Cruelty to the winner, Bishop tells the King his lies  
Maybe you're a mourner, maybe you deserve to die  
They were crying when their sons left  
God is wearing black  
He's gone so far to find no hope  
He's never coming back  
They were crying when their sons left  
All young men must go  
He's come so far to find no truth  
He's nevergoing home

("Welcome" 2x humming)

Welcome to the Soldier Side  
Where there's no one here but me  
People all grow up to die  
There is no one here but me  
Welcome to the Soldier Side  
Where there is no one here but me.  
People on the Soldier's Side  
There's no one here but me.
