Are we a fantasy? swimming in theocracy  
We are far from holy the wholeness of one  
Repeat after me

We lost the key of sight  
Now blind we fear in flight  
We are far from love but silence is golden  
Please observe

Fighting your empire defending your vampires  
Far away, we're going too far  
Bombing your ignorance we're feeding your insolence  
Far away, we're going too far  
We're going too far

If today I die I cannot deny  
The life that I live  
For what I say not befit myself in time  
No time to die our dare  
No structures of a pyramid  
No train, horses to rise  
Surmise my position my words define

Fighting your empire defending your vampires  
Far away, we're going too far  
Bombing your ignorance we're feeding your insolence  
Far away, we're going too far  
We're going too far

We go forward we go backward  
Living, dying, we're dying, we're living  
We're living, we're dying, we're crying, we're seeing  
We're living, we're breathing, dying, seeing

Fighting your empires defending your vampires  
Far away, we're going too far  
Bombing your ignorance we're feeding your insolence  
Far away, we're going too far  
We're going too far
