Lalalalalalalala lie lie lie  
Lalalalalalalala lie lie lie  
Lalalalalalalala lie lie lie  
Lalalalalalalala lie lie lie

My baby, my baby,  
Let me know  
Because you love me, you love me  
Let me go  
And you're my lover, you pay me  
Twice my size  
And on your knees you lay  
In my thighs,

Take my hand and let's end it all,  
She broke her little bones  
On the boulders below,  
Take my hand and let's end it all,

My baby, my baby  
Let me go,  
And if you love me, you love me,  
Let me go,  
Cause I'm your brother, your brother,  
Have some pride,  
And now you love me, you love me  
Then die tonight

Take my hand and let's end it all,  
She broke her little bones  
On the boulders below,  
Take my hand and let's end it all,

She broke her little bones  
On the boulders below,  
And while she fell I delightfully said,

Lalalalalalalala lie lie lie  
Lalalalalalalala lie lie lie  
Lalalalalalalala lie lie lie  
Lalalalalalalala lie lie lie

She took my hand and I let her die  
She broke her little bones  
On the boulders below,  
Took my hand and she end it all,  
Broke her little bones on the boulders below  
And while she fell, I smiled

Lalalalalalalala lie lie lie  
Lalalalalalalala lie lie lie  
Lalalalalalalala lie lie lie  
Lalalalalalalala lie lie lie
