Old school.... Hollywood,
Baseball.

Old school Hollywood,
BASEBALL!

Tony Danza cuts in line,
Old school Hollywood,
Washed up Hollywood.

Standing in the sun I'm wasting my time,
Old school Hollywood,
Washed up Hollywood.

Old school Hollywood baseball,
Jack Gilardi is ten feet tall,
Old school Hollywood baseball,
Me and Frankie Avalon.

Old school Hollywood,
Washed up Hollywood.

Old school Hollywood,
Washed up Hollywood.

Hey man don't you touch my belt,
Old school Hollywood,
Washed up Hollywood.

Standing in the sun I'm about to melt,
Old school Hollywood,
Washed up Hollywood.

Old school Hollywood baseball,
Jack Gilardi is ten feet tall,
Old school Hollywood baseball,

Me and Frankie Avalon.

Old school Hollywood,
Washed up Hollywood.

Old school Hollywood,
Washed up Hollywood.

Old school Hollywood baseball.
Old school Hollywood baseball.
Old school Hollywood baseball.
Old school Hollywood baseball.
Old school Hollywood baseball.
Old school Hollywood baseball.

Old school Hollywood baseball,
Jack Gilardi is ten feet tall,
Old school Hollywood baseball,
Me and Frankie Avalon!

Old school Hollywood,
Washed up Hollywood.

Old school Hollywood,
Washed up Hollywood.

Old school Hollywood,
Washed up Hollywood.

Old school Hollywood,
Washed up Hollywood.

Old school Hollywood,
Washed up Hollywood.
