Revenga

Music by D. Malakian, lyrics by Malakian, Tankian

Poisonning a drink
Bleeding in a sink
Choking with a link
Killng with a stink
Just your mother's
HO
Bleeding in a sink
Poisonning a drink
Burning up
My sweet Clementine
Trampling a shrink
Bleeding in a sink
Halleluiah wink
Getting on the brink
Just your mother's
HO
Halleluiah wink
Murdering a shrink
Burning up
On my sweet revenge
Will be yours for the taking
It's in the making baby
My sweet revenge
Will be yours for the taking
It's in the making baby
Killng with a stink
Bleeding in a sink
Poisonning a drink
Getting on the brink
Just your mother's
HO
Bleeding in a sink
Trampling a shrink
Burning up
My sweet Clementine
Poisonning a drink
Bleeding in a sink
Choking with a link
Killng with a stink

Just your mother's
HO
Poisoning a drink
Bleeding in a sink
Burning up
My sweet revenge
Will be yours for the taking
It's in the making baby
My sweet revenge
Will be yours for the taking
It's in the making baby
I saw her laugh
Then she said, "Go away",
I saw her laugh
Then she said, "Go away",
"Go away, away"
My sweet revenge
Will be yours for the taking
It's in the making baby
My sweet revenge
Will be yours, It's in the making
It's in the taking, making, baking, taking, faking
HO
My sweet Clementine,
HO
Shoulda been coulda been,
Woulda been woulda been you
Shoulda been coulda been,
Woulda been woulda been you
