

## System Of A Down "Stealing Society"

Visit "[Stealing Society](#)" on MotoLyrics.com

Yeah, alright  
Yeah, alright

Two skies watching it all fading  
Two skies living it all fading  
Two skies watching it all fading  
Two skies fading ones abating  
Two suns living it all dying  
Two suns fighting ones abiding

Two suns watching them both fighting  
Two suns seeing them both dying  
Two suns watching them both fighting  
Two suns fighting ones abiding  
Two skies seeing them both dying  
Two skies fading ones abiding

Oh oh ahh

Crack pipes, needles, PCP and fast cars  
Kind of mix really well and a dead movie star  
When I feel like talking I'll never be wrong  
If I fell like walking you best come a long  
I close my windows crank the heat up high  
till my palms are red and my tongue is dry

I'm looking for a mother that will get me high  
Just a stupid motherfucker if I die I die  
I'm a midnight fist fight  
Looking for a mother that will get me high  
Just a stupid motherfucker if I die I die  
I'm a midnight fist fight

Looking for a mother that will get me high  
Just a stupid motherfucker if I die I die  
All right

(Two suns fighting ones abiding)  
Looking for a mother that will get me high  
Just a stupid motherfucker if I die I die...  
All right

(Two skies fading ones abiding)  
Looking for a mother that will get me high  
Just a stupid motherfucker if I die I die...  
(Two suns fighting ones abiding)  
Looking for a mother that will get me high  
Just a stupid motherfucker if I die I die...  
(Two skies two sons watching their own war)  
Looking for a mother that will get me high  
Just a stupid motherfucker if I die I die...

All right  
Yeah, alright  
Yeah, alright
