You get a shiver in the park  
It's raining in the dark but meantime  
South of the river you stop and you hold everything  
A band is blowing Dixie double four time  
You feel alright when you hear that music ring

Now You step inside but you don't see too many faces  
Coming in out of the rain to hear the jazz go down  
Competition in other places  
But those mother fuckers be blowing that sound  
Well on downsouth well on downsouth London town
