The unsettled mind is at times an ally,  
Leaving the senses to fend for them selves,  
The senses collect undeniable data,  
About beta carotene and theta waves,  
The unsettled mind is at times an ally,  
Leaving the senses to fend for them selves,  
Then, the senses wonder the sky.

All rise,  
I fall,  
Time feels like a midnight ride  
Finality waits outside,  
Weeping in perplexity's arms  
Caressing our smiles inside.

The National debt is at times ally,  
Leaving the people to fend for them selves,  
The people collect undeniable data,  
About high pulse weapons and microwaves,

The National debt is at times an ally,  
Leaving the people to fend for them selves,  
The the people found out the lie.

All rise,  
I fall,  
Now I rise, and then fall,  
Time feels like a midnight ride  
Finality waits outside,  
Weeping in perplexity's arms  
Caressing our smiles inside.

Waiting to get you high,  
Waiting to touch the sky.

All rise,  
I fall,  
Now I rise, and then fall,  
Time feels like a midnight ride  
Finality waits outside,  
Weeping in perplexity's arms  
Caressing our smiles inside.
