We-you becoming rotten down me my door  
Better result to me or you think like me  
Well you the people around are as though to be fast  
Being existent our president space  
Do again their poppy youth

Oh me roger when when again youth  
Oh me roger when when again youth  
Oh me roger when when again youth  
Youth, youth, youth, youth

You fly, you fly, you gotta rugged right  
You fly, you fly, you gotta rugged right  
You fly, you fly, you gotta rugged right  
You fly

You brought us our bright darkness  
Back to the back door  
You never give that birthday  
While I doubt when I get back your oath  
Living in a fridge as though as annealed place

Without fealing that my feature is beatness  
Living in a fridge as though as annealed place  
Without fealing that my feature is beatness

Oh me roger when when again youth  
Oh me roger when when again youth  
Oh me roger when when again youth  
Youth, youth, youth, youth

You fly, you fly, you gotta rugged right  
You fly, you fly, you gotta rugged right  
You fly, you fly, you gotta rugged right  
You fly

Unlike you say say why does it feel like the air wet, you  
I feel like rain and wind and feel like kiss me, you and I

You fly, you fly, you gotta rugged right  
You fly, you fly, you gotta rugged right  
You fly, you fly, you gotta rugged right

You fly, you fly, you fly
