I don't know why she called
But it was her strange way
Of tellin me bout her
Fuck!

She told me that she was the one
And then everything was done
And then I looked around
What did I see?

She told me that she was the one
And then everything was done
And then I looked around
What did I see?

Well I fucked her
Right underneath the tree
And I can't believe that I took her virginity
Virginity x 2

And then I just woke up
What a strange nightmare
My eyes couldn't focus
Was it her?
Was it a friend or foe?
I didn't want to know
But as I turned around
What did I see?

Well I fucked her
Right underneath the tree
And I can't believe that I took her virginity
Virginity x 2

Virgin tea x 4

Won't you buy some virgin tea? x 4

Well I fucked her
Right underneath the tree
And I can't believe that I took her virginity
Virginity x 2

And then I just woke up
What a strange nightmare
My eyes couldn't focus
Was it her...?
