I don't know why she called
But it was her stange ways
tell me 'bout her
FUCK!

She told me she was the one
And that everything was done
And then I looked around
What did I see?
She told me she was the one
And that everything was done
And then I looked around and
What did I see?

When I fucked her
right underneath the tree
And I can't believe that I took her virginity
Virginity
Virginity

And then I just woke up
What a strange nightmare
My eyes couldn't focus
Who was it there?
Whas it a friend or a foe?
I didn't really know
But as I turned around
What did I see?

When I fucked her
right underneath the tree
And I can't believe that I took her virginity
Virginity
Virginity

Virgin tea
Virgin tea
Virgin tea
Virgin tea
Won't you buy some virgin tea?
Won't you buy some virgin tea?
Won't you buy some virgin tea?

Won't you buy some virgin tea?

When I fucked her
right underneath the tree
And I can't believe that I took her virginity
Virginity
Virginity

And then I just woke up
What a strange nightmare
My eyes couldn't focus
Who was it there?
