Try to see it my way
Do I have to keep on talking till I can't go wrong
While you see it your way
Run the risk of knowing that our love will soon be gone

We can work it out
We can work it out

Think of what you're saying
You can get it wrong and still you think that it's alright
Think of what I'm saying
We can work it out and get it straight or say goodnight

We can work it out
We can work it out

Life is very short and there's no time
For fussing and fighting my friend
I have always thought that it's a crime
So I will ask you once again
I'll ask you once again

Try to see it my way
Only time will tell if I am right or I am wrong
While I see it your way
There's a chance that we might fall apart before too
long

We can work it out
We can work it out

Life is very short and there's no time
For fussing and fighting my friend
I have always thought that it's a crime
So I will ask you once again
I'll ask you once again

Try to see it my way
Only time will tell if I am right or I am wrong
While I see it your way
There's a chance that we might fall apart before too

long

We can work it out
We can work it out

At least we can try
We can try out to work it out someday
