(Midnight, midnight)  
(Midnight, midnight)  
(Midnight, midnight)  
(Midnight, midnight)  
(Midnight)

Look into my eyes  
Tell me what you see  
Do you see some possibilities  
Try and get away tonight  
You can leave with me  
It's a golden opportunity

And when the sun goes down  
When midnight comes around  
I really come alive  
At midnight!  
Oh, I really come alive  
(Midnight, midnight)  
Oh, I?  
(Midnight, midnight)  
I got so much energy  
(Midnight, midnight)  
Yeah, deep inside of me, girl

Come a little closer girl  
Look into my mind  
You would be surprised  
At what you find  
There's a rowing line inside of me  
Waiting for the night  
Comes out only when the time is right

And when the sun goes down  
My fantasies run wild  
When midnight goes around  
I really come alive  
At midnight  
(Midnight, midnight)  
Oh, I really come alive  
(Midnight, midnight)  
All my fantasies run wild

(Midnight, midnight)  
I have so much energy  
(Midnight, midnight)  
Yeah, yeah, deep inside of me, girl
