Everybody's startin' to pick on you.  
Just can't let them tell you what to do.

You've only got one life,  
So live it cool.  
In this world of?  
You can't be a fool.

[Chorus:]  
Don't let nobody tell ya what to do.  
You gotta be your judge and jury too.  
Don't let nobody tell ya what to do.  
You gotta be your judge and jury too.  
[End Chorus]

All right...

Gotta do your thing  
And let it all hang out.  
Gotta really show them  
What you're all about.

Move on up,  
Don't look around.  
People always try to put you down, down...

[Repeat Chorus]

[Bridge]  
Yeah, yeah.  
Do what you wanna do...  
Oh yeah,  
Judge and the jury too...  
I'm gonna do...  
I'm gonna do...

Do what you wanna do...  
I'm gonna do, yeah...  
Judge and the jury too...  
I'm gonna do, yeah...  
Do what you wanna do...  
Judge and the jury too...

I'm gonna do, yeah...  
Judge and the jury too...
