Babe I love you so  
I want you to know  
that I gonna miss your love  
the minute you walk out that door

Chorus:

Please don't go, don't go  
don't go away

Please don't go, don't go  
beg you to stay

If you leave

you leave my lifetime

I've had one dream come true

I was blessed to be loved

by someone

as wonderful as you

Chorus

Babe I love you so

I want you to know

that I gonna miss your love

the minute you walk out that door

Please don't go, don't go

don't go away, hey hey hey

I need your love

down on my knees

beg it

please, please, please don't go

I need you baby

don't leave me now

oh no, no, no, no don't go
