Everyday you hear the people talkin'  
They say they're takin' a stand  
They're lookin' for a cause they can believe in  
For the welfare of man

But all I see are soldiers in a circle  
Marching no place fast  
Isn't it time the children of God  
Take a stand that will last  
Oh, it makes me want to ask

Couldn't we stand  
To kneel a little longer  
The time is never spent in vain  
In the light of all we stand to gain

Finding the faith that only makes us stronger  
Touching what we cannot see  
Reaching to heaven from our knees  
Couldn't we stand

I know men so blinded by ambition  
The joy is slippin' away but they're no worse  
Than the people who are livin'  
Like there's only today

And I can't help but shake my head and wonder  
What's it comin' to  
Lord, give me the strength to lift them in prayer  
'Cause it's all I can do  
Just to give them back to you

Couldn't we stand  
To kneel a little longer  
The time is never spent in vain  
In the light of all we stand to gain

Finding the faith that only makes us stronger  
Touching what we cannot see  
Reaching to heaven from our knees  
Couldn't we stand
