I looked at faith.  
I almost walked away,  
But I looked again.

I found the nerve,  
To close my eyes and say the words,  
To ask You in.

And I heard no heavenly choir,  
No angels in white attire,  
I got no amazing super human,  
Omnipresent power but...

I know You now.  
I know You now.  
I know You're in my heart.  
I know You now,  
Beyond the shadow of a doubt.  
I know You now.

I look at peace,  
That once was out of reach,  
And now it's here.

I read Your word,  
That some believe is so absurd,  
But I hold dear.

Cause You loved me, with Your dying breath.  
You saved me, when You conquered death.  
And You're living in my heart,  
I know the truth, and I love to confess that...

I know You now.  
I know You now.  
I know You're in my heart.  
I know You now,  
Beyond the shadow of a doubt.  
I know You now.

Finally I'm understanding,  
Just who You are.

I feel my life is landing,  
Safe inside Your arms where I belong.

I know You now.  
I know You now.  
I know You're in my heart.  
Yes, I know You now  
Beyond the shadow of a doubt  
I know You now

In my heart, in my soul, in my life,  
Now I know, I know you now  
I know you, I know you,  
I know you, know you now.  
Yeah, I know you know
