In every life there will come a time
When the weight of the world crashes around you
Everyone says it will be just fine
But they really don't know all that you've been
through

Trying hard to get through the struggle
Knowing that tomorrow you'll find

This isn't all there is
Life goes on
(Goes on)

There's so much more than this
Life goes on
(Goes on)

So don't let the moment deceive you
Cause after the hurt is gone
No matter what you do, life goes on

When you are facing your darkest night
Just remember the race isn't quite over
Jesus has promised eternal life
And the ones who believe soon will discover

This is not the end of the story
This is not the end of the line

This isn't all there is
Life goes on
(Goes on)

There's so much more than this
Life goes on
(Goes on)

So don't let the moment deceive you
Cause after the hurt is gone
No matter what you do
Life goes on, life goes on

Don'Ã, 't let the moment deceive you
(Life goes on)
Ã, "Cause after the hurt is gone
No matter what you do
Life goes on, life goes on

Life goes on, life goes on
Life goes on, life goes on
