It's so strange he doesn't show me more affection than  
he needs  
Almost formal, too respectful, never takes romantic  
leads  
There are times when I imagine I'm not always on his  
mind  
He's not thinking what I'm thinking, always half a step  
behind  
Always half a step behind

I'm in every kind of trouble, can't you tell, just look at  
me  
Half ecstatic, half dejected, all in all I'm all at sea  
Easy terms I thought I wanted, fill me now with chilling  
dread  
You can never know the chaos, of a life turned on it's  
head  
Of a life turned on it's head

I am certain that I love him but a love can be misplaced  
Have I compromised my people in my passion and my  
haste?  
I could be his life companion, anywhere but where we  
are  
Am I a leader? Am I a traitor? Did I take a step to far?  
Did I take a step to far?

Did I take a step to far?

I am certain that I love him but a love can be misplaced  
Did I take a step to far?  
So strange he doesn't show me more affection than he  
needs  
Did I take a step to far?

I am certain that I love him but a love can be misplaced  
Did I take a step to far?
