It was a theme she had
On a scheme he had
Told in a foreign land

To take life on earth
To the second birth
And the man was in command

It was a flight on the wings
Of a young girl's dreams
That flew too far away

Don't push too far
Your dreams are china in your hand
Don't wish too hard
Because they may come true

And you can't help them
You don't know what you might
Have set upon yourself
China in your hand

Come from greed
Never born of the seed
Took a life from a barren hand

Oh, eyes wide
Like a child in the form of man
A prophecy for a fantasy
The curse of a vivid mind

Don't push too far
Your dreams are china in your hand
Don't wish too hard
Because they may come true and you can't help them

You don't know what you might
Have set upon yourself
China in your hand
Oh, your hand, your hand

Don't push too far

Your dreams are china in your hand
I don't wish too hard
Because they may come true and you can't help them

Then you don't know what you might
Have set upon yourself
Just shut up, push too hard, no, no

Don't push too far
Your dreams are china in your hand
I don't wish too hard
Because they may come true and you can't help them

Then you don't know what you might
Have set upon yourself
'Cause they're only things
And just shut up, push too hard, no, no
