Only for a moment
You were gone away
And I had to love somebody
I never could wait
Oh, I'm sorry now
Won't you
Take me in your arms again

For I have thrown heaven away
All for a foolish mistake
Oh, I have thrown heaven away
Won't you take me back again

Wish upon the pale moon
Tears that fill the dark gloom
Now fall into broken hearts
I know how much I hurt you
But he was touching me
He was touching me
And one night
Loneliness was hard to bear

Now I have thrown heaven away
All for a foolish mistake
Oh, I have thrown heaven away
Won't you take me back again

Oh, I have thrown heaven away, yeah

I have thrown heaven away
All for a foolish mistake
I have thrown heaven away
